

Façade Engineering

Profile

Transforming Spaces.
Creating Architectural Identities.

Presented by: Mr David Nwabunka

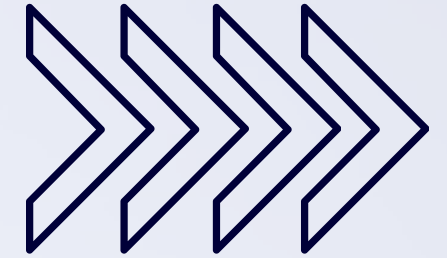

A Legacy in WHO WE ARE

Alutech Cladding Systems Limited was established in 2009 with a vision to deliver reliable and innovative façade, aluminium and glass solutions.

Today, we work with developers, contractors, architects, institutions and businesses to transform architectural concepts into high-quality finished spaces.

Our approach is simple:

- Quality in every detail.
- Precision in every project.
- Integrity in every relationship.

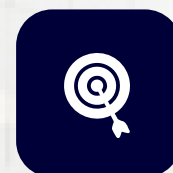

Vision for the Future

To become Africa's leading façade engineering company, renowned for innovation, quality, integrity and world-class building-envelope solutions.

Vision

To become a leading African façade engineering company recognised for quality, innovation, integrity and exceptional project delivery.

Mission

To deliver innovative and reliable façade, aluminium and glass solutions that meet the needs of our clients and create lasting value.

Commitment

Transform spaces.
Create identities.
Engineer lasting value.

Approach

Prioritizing safety, environment, and community well-being.

Core Architecture Services

We provide specialized building-envelope and architectural finishing solutions across several areas.

Façade Engineering

Curtain walls, structural glazing and modern façade systems.

Aluminium Windows & Doors

Aluminium windows, doors and related systems.

ACP Cladding Solutions

Architectural cladding solutions for contemporary buildings.

Stainless Steel Handrails & Balustrades

Handrails, balustrades and architectural stainless-steel works.

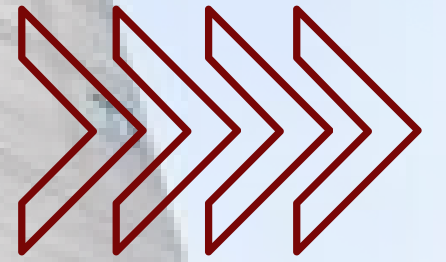

Frameless Glass Systems

Structural glazing, partitions, doors and other glass applications..

Specialized Architectural Solutions

WPC panels, laser-cut ACP and other architectural finishes.

Our Core Values

Our commitment to excellence is reflected not only in the buildings we deliver but also in the standards we maintain throughout our operations.

SAFETY

We put people and responsible construction practices first.

TEAMWORK

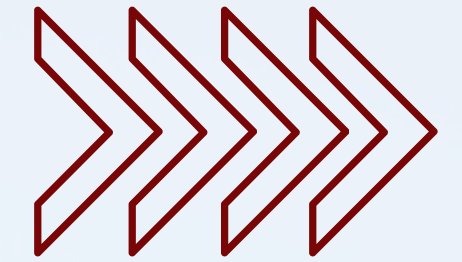

We believe exceptional results come from collaboration.

INNOVATION

We embrace better materials, systems and ways of working.

EXCELLENCE

We pursue high standards in every project we undertake.

Built For Different Spaces

Our experience covers a broad range of architectural environments.

Commercial Buildings

Modern façade and glazing solutions for businesses and offices.

Corporate Facilities

Architectural systems that complement corporate identity.

Residential Developments

Contemporary aluminium, glass and cladding solutions.

Institutional Buildings

Durable and functional solutions for educational and institutional facilities.

Skilled Experts in Architecture

A skilled Architecture workforce ensuring safety, innovation, and reliability in all operations.

David O. Nwabunka

Founder & CEO

Provides strategic leadership and drives the company's vision, growth, and long-term direction.

Andrew W. Nweke

Marketing Director

Leads the company's marketing strategy, brand positioning, client engagement, and business development.

Jennifer O. Azubuike

IT Specialist

Oversees the company's technology systems, digital infrastructure, and IT solutions.

Aluminium Partition Project

Why choose **us?**

EXPERIENCE

Over a decade of experience delivering façade and architectural solutions.

PRECISION

From fabrication to installation, we focus on getting the details right.

EXPERTISE

Skilled professionals with practical knowledge of complex building systems.

RELIABILITY

We work to deliver projects professionally, safely and responsibly.

QUALITY

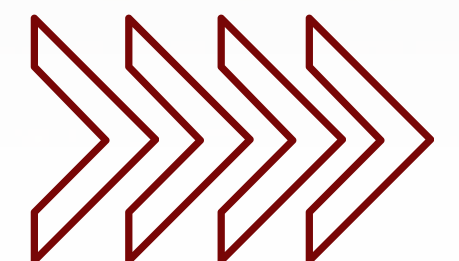

We place quality materials and workmanship at the centre of our projects.

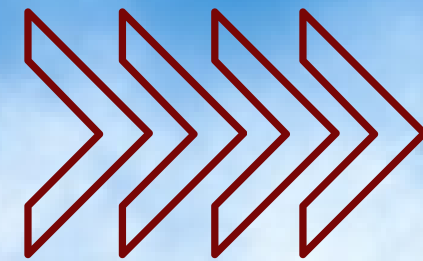

PARTNERSHIP

We work closely with our clients, consultants and project teams.

OUR PROMISE

WE DON'T JUST INSTALL SYSTEMS.
WE HELP CREATE BUILDINGS THAT LAST.

A Message From Our CEO

David O. Nwabunka

At Alutech, our journey has always been about more than building façades. It has been about creating spaces that people can be proud of and delivering solutions that stand the test of time.

Since 2009, we have remained committed to quality, innovation, safety and integrity in every project we undertake.

We are grateful to our clients and partners for trusting us with their visions, and to our team for the dedication that continues to drive our growth.

As we look ahead, our commitment remains the same:

- To build better.
- To serve better.
- To create lasting value
